Accessories etc. available at the shop *

Finished Quilts	as marked	Quilted Ironing Board tops	\$35
		Other Quilted Items	as marked

For best results please spend a little time squaring and pressing your top and back. The quilts are stretched tightly on the machine so check your seams to prevent them from pulling apart. Backs must be 6 inches wider and longer than the top. If you are using a sheet for the back, please remove all seams. All threads should be clipped and identify the head of the quilt if necessary.

Please don't pin or baste your quilt together. I will do that on the machine. Refer to the pattern sheet for your choice of over 90 patterns. New patterns are available upon request. Custom quilting is also an option.

48-hour emergency service available: All prices double except shipping. Maximum one quilt per emergency.

** Prices are subject to change without notice.*
